Good News for the allottees of NBCC Green View, sector-37D and NBCC Heights, Sector-89, Gurugram.

NBCC has started offering the possession of the flat for both the Real Estate projects at Gurugram i.e. at NBCC Green View, sec- 37D and at NBCC Heights, sec-89 , Gurugram.

GST has been implemented since 1st July 2017 and as per the rules of the GST, the same is applicable to all the existing customers/buyers, even for those projects where occupancy certificate is received and liabilities of payment lies with them.

However as per the gesture of goodwill, NBCC management has decided to refund the differential amount of GST and service tax paid by the allottees.
