PRESS RELEASE

NBCC gets Rs. 250 crore order from SAIL

New Delhi, 16th Aug 2018: Navratna public sector undertaking NBCC (India) Limited has bagged an order from Steel Authority of India Limited (SAIL) worth Rs 250 crore for the construction of Ispat Post-Graduate Medical Institute and Super-Speciality Hospital at Rourkela Steel Plant, Rourkela.

The proposed hospital will have 156 beds accommodating super-specialities like cardiology, cardiac surgery, neurology and nephrology. The new super-speciality block, 500-seater Auditorium and the medical institute will be spread across 3 lakh square metres.

NBCC will plan & design the building as a 'Steel Intensive' structure and execute the works as Project Management Consultant using green and energy-efficient technologies.

Speaking on the development, Dr. Anoop Kumar Mittal, Chairman-cum-Managing Director of NBCC said, "We have extensive experience in delivering world-class educational and healthcare facilities across the country. Sustainable development is our constant endeavour, which we institutionalise right from the concept stage to ensure quality and timely delivery."

NBCC has been a prime mover in Health Infrastructure sector of the country and has been undertaking several significant projects such as ESIC Hospitals, Medical Colleges & Hospitals of various State Govts. across the country.
